To Whom It May Concern:

**Subject: Letter of Recommendation**

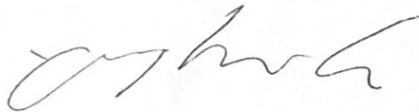

I have had the pleasure of knowing Jinil Park for more than a year. In 2012 September, he started to work at Blenz Coffee shop as a barista and cashier. He was here in Vancouver with working holiday visa.

During the years of our acquaintance, I have known Jinil in many capacities. He is an independent, organized and diligent person. He takes his duty with responsibility and he is always quick on her feet. Jinil has also been involved with a variety of tasks at Blenz Coffee shop, providing great customer skills, making various drinks, and cleaning equipments.

In summary, I feel confident saying that he is capable of handling situations with maturity and therefore recommending him for any position that he may seek to pursue.

If you have any questions, please do not hesitate to contact me.

Sincerely,
